

Beulah Camp

and Conference Center

POLICIES

Thank you for considering Beulah Camp & Conference Center (BCCC) for your upcoming event.

We are confident that if you come to BCCC, you will have a positive God-honouring experience and will find our facilities and hospitality warm and genuine. BCCC is a Christian facility owned and operated by the Atlantic District of The Wesleyan Church.

Basic Christian conduct in matters of relationships, morals, integrity, and cooperative spirit is expected from all present. As a further guide, we require that all persons on the grounds respect the following policies:

1. It is important to respect the privacy and comfort of others on the grounds. Therefore, quiet is to be maintained throughout the grounds after midnight.
2. The use of alcoholic beverages, tobacco, and non-medicinal drugs is prohibited.
3. During the two Sundays of the annual Beulah Camp Meeting, recreational areas will be closed. They will also be closed for the balance of the camping season during the hours of any scheduled Sunday services at the Tabernacle.
4. We encourage modest apparel on the grounds and bathing areas at all times, and require that an adequate covering be worn by those going to and from the beach or wharf.
5. Those launching boats from the beach must exercise great care and caution in doing so, especially with the presence of infrastructure underwater piping in that area. People are requested to move their trucks/trailers away from the beach area to allow others the courtesy of access to the water. There is to be no parking on the beach.
6. Only those eligible to be licensed drivers are to operate motorized vehicles on the grounds, golf carts included.
7. Toilet tissue is the only paper product to be placed in toilets – no feminine products or diapers. These items cause serious problems to the system and could result in complete breakdown. This applies to cottages, trailers, Centennial Park, Heritage Hall, Heartland, as well as all public restrooms. No exceptions - extremely important!
8. Animals are not permitted in any Camp & Conference Center building, or on the beach (Department of Health directive). When dogs are not confined within a cottage or trailer, leashes are always required and owners are expected to clean up after their pets.
9. Advance approval from the Executive Director of Camp Ministry is required when more than 2 (two) dogs are housed on one lot at any time. At the discretion of the Executive Director of Camp Ministry, dogs may be required to wear a bark collar. Dog owners may be required to remove their dogs from the grounds upon written notice from the Executive Director of Camp Ministry should safety concerns or excessive noise persist.
10. All Lessees are strongly encouraged to make unoccupied premises available for rent during the dates of Beulah Camp (ten days from the first Friday of July).
