

Apologetics Canada is Coming to New Brunswick

July 31- August 2

Cost per person: \$65

Andy Steiger, PhD
President - Apologetics Canada

Discover how faith and reason work together as you join families, church leaders, and believers from across Atlantic Canada for a weekend of learning, worship, fellowship, and meaningful conversation.

Join us for the Maritime Apologetics Conference, a family-friendly weekend designed to help Christians better understand, explain, and confidently live out their faith. Featuring keynote speaker Andy Steiger, the conference will include inspiring worship, meaningful discussion, fellowship, great food, and opportunities to enjoy the many activities Beulah Camp has to offer. Programming for children ages 4-12 will be available for just \$10 per child when parents are attending conference sessions, ensuring the whole family can enjoy and benefit from the conference experience.
